

OSTER A5 DOG CLIPPERS 1spd & 2spd

The finest heavy duty clipper around. Powerful Universal Motor uses very high RPM and unique gear down assembly to give this clipper great power for its size. Double wound armature has a 16 bar commutator. Detachable blade feature allows blade changing in a snap. No tools required!! Automatic armature allows for a long life and quiet operation.

R1795.00 & R1995.00

OSTER POWERMAX(078004 POWER/MAX2SP) MAXIMUM PERFORMANCE 2- SPEED CLIPPER

One of the most powerful and light-weight clippers on the market, the **Power max** is 20% lighter than the Oster A5.

This professional 2-speed clipper has a powerful (yet silent) cool running motor that provides more than 3,300 strokes per minute & is designed to bring you exceptional cutting performance through even the toughest of coats.

PowerMax combines strong performance with maximum speed and light weight, comfortable design to handle the toughest jobs with ease.

Innovative and advanced clipper that empowers you to perform at your best.

Contoured grip remains cool for maximum comfort.

PowerMax
POWER + SPEED + COMFORT
